

# The 12 Spies

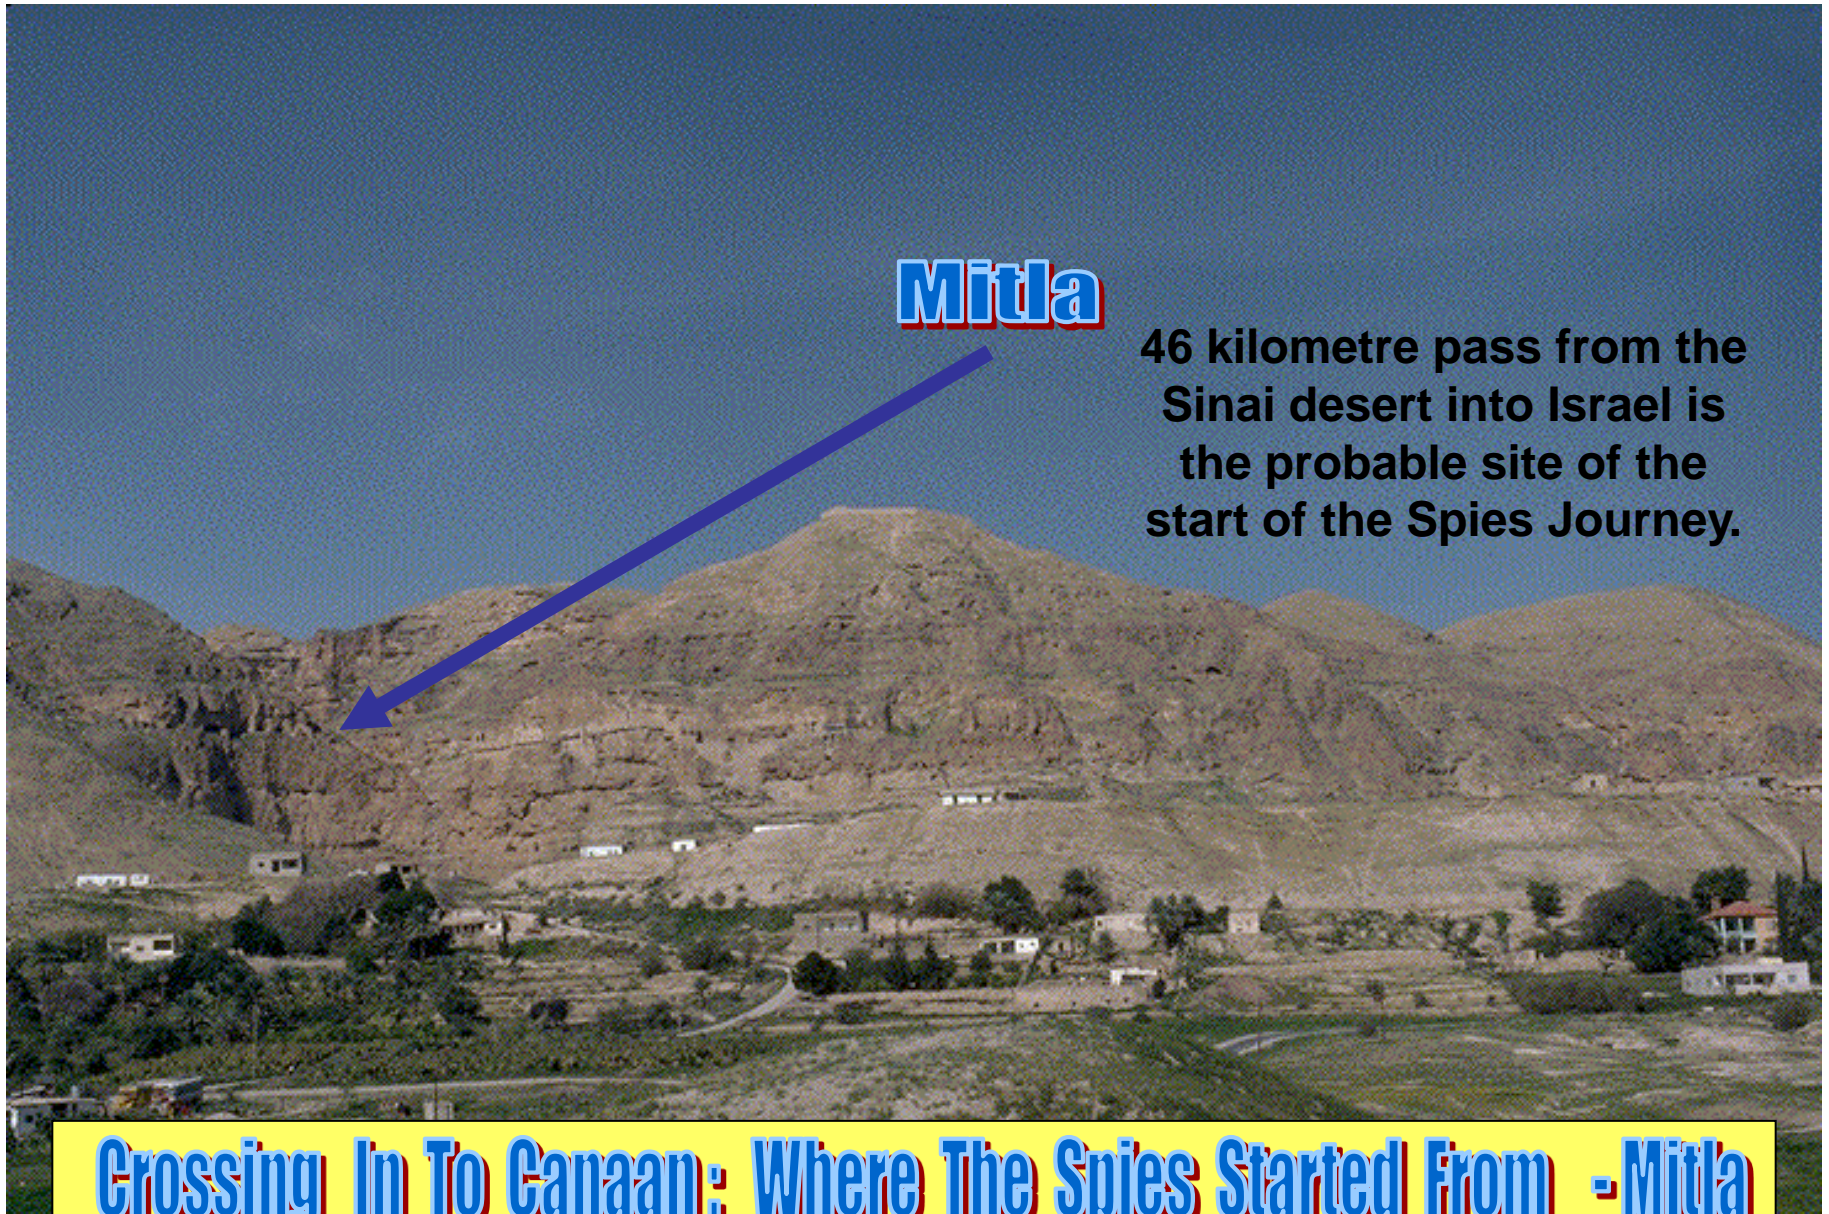

Background Information  
By  
Marvin Ancell

The spies would have dressed like these Bedouin tribesmen as this was the dress of early day Canaan

**Caravan In The Desert**

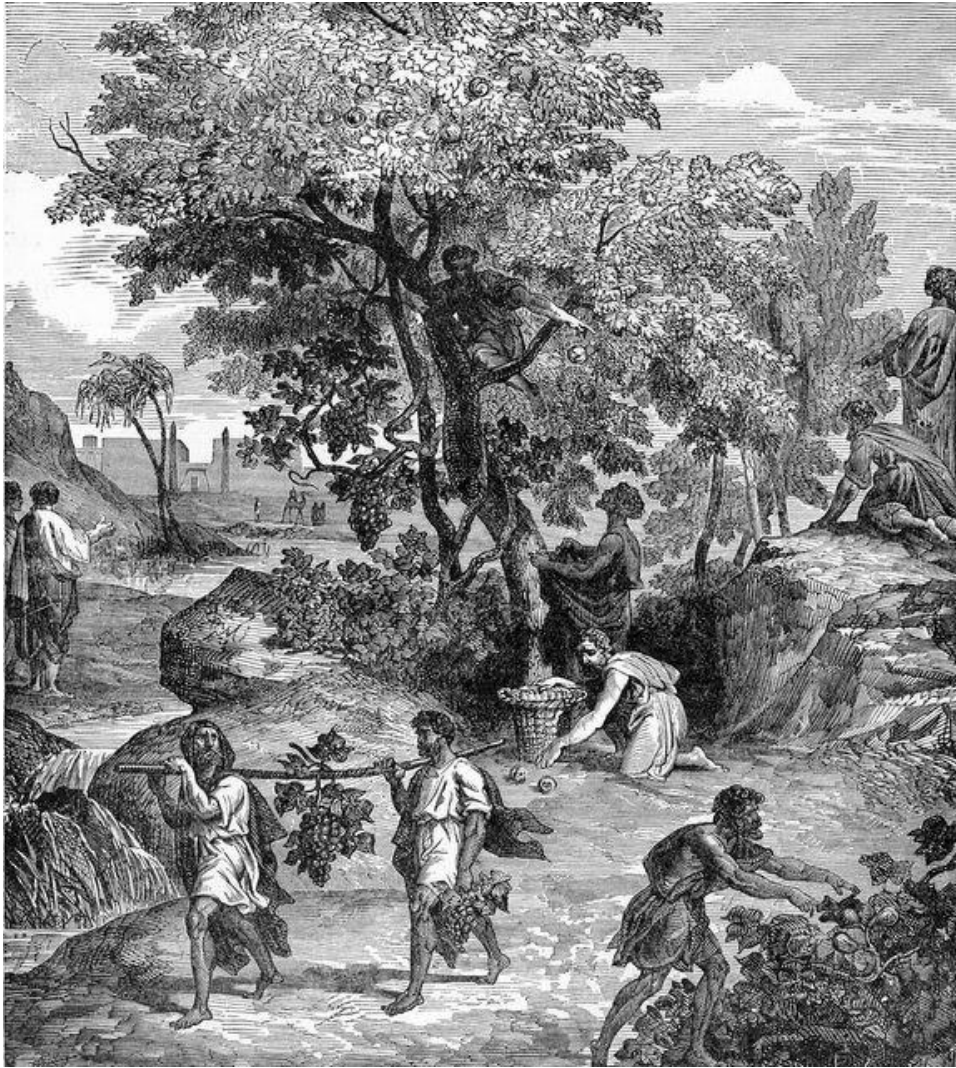

**Mitla**

46 kilometre pass from the Sinai desert into Israel is the probable site of the start of the Spies Journey.

**Crossing In To Canaan: Where The Spies Started From - Mitla**

## Crossing In To Canaan: What the spies saw of the land

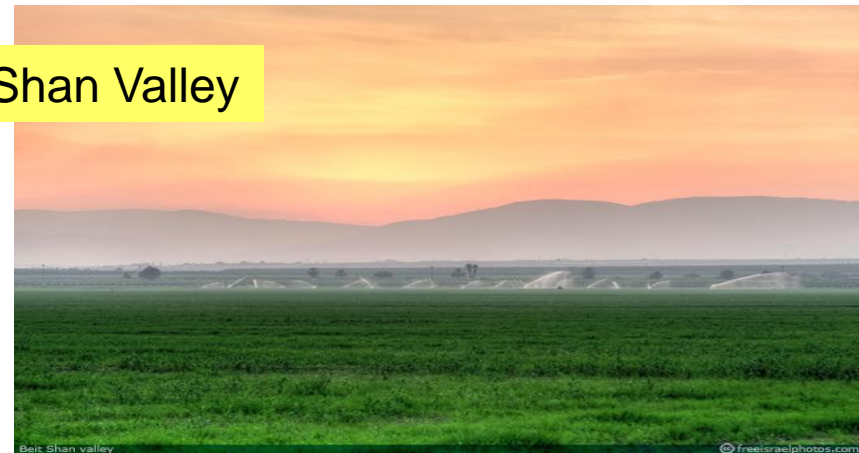

View of Engedi Valley

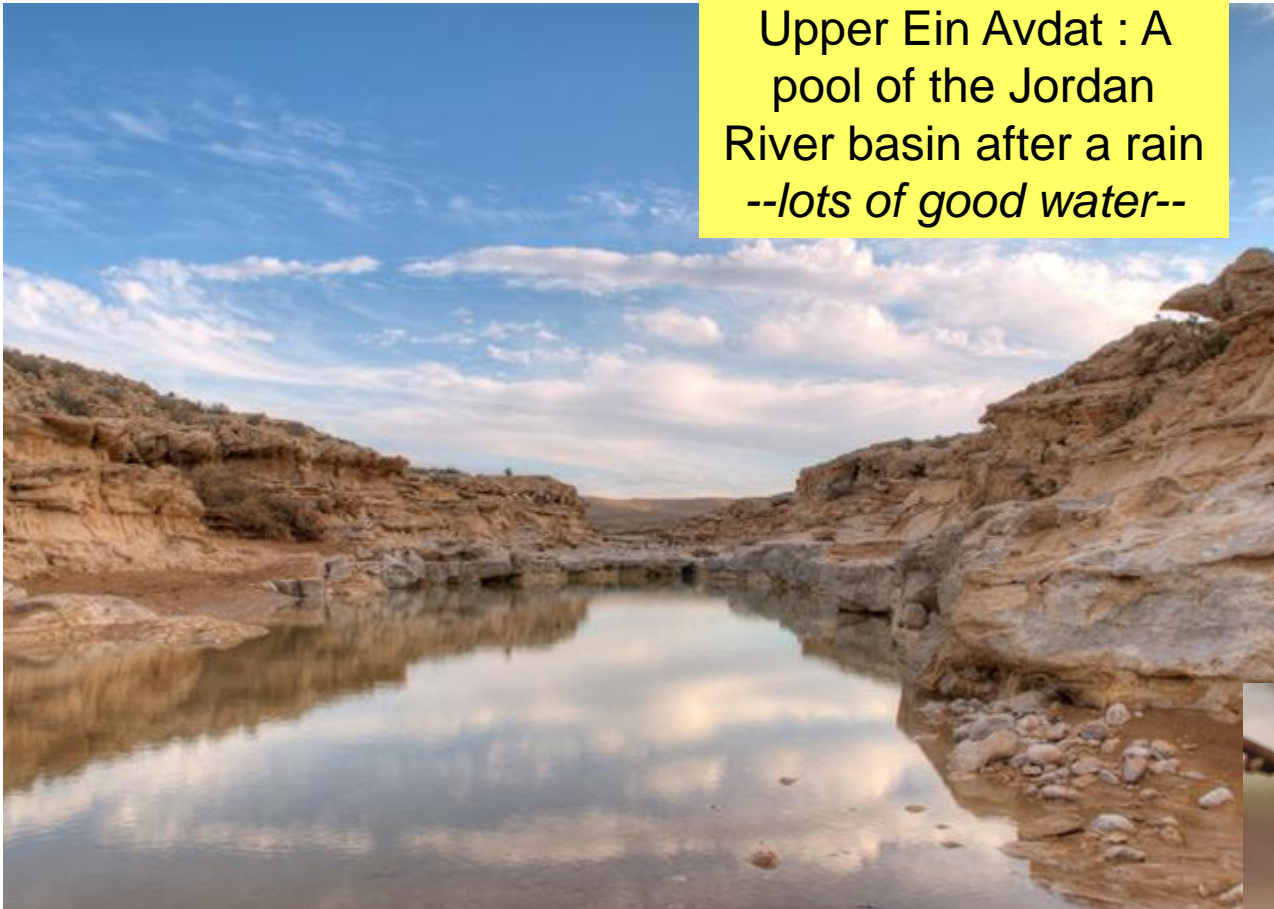

Engedi Water fall

Shan Valley

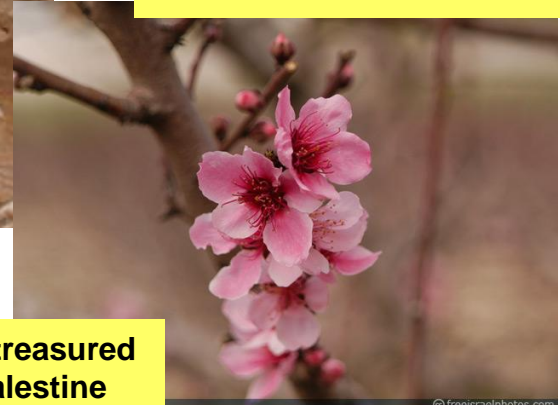

# Crossing In To Canaan: What the spies saw of the land

Upper Ein Avdat : A  
pool of the Jordan  
River basin after a rain  
*--lots of good water--*

Canaan's Almond Trees

One of the most treasured  
of all nuts in Palestine
