

Drawing Contrasts as an Application Activity

Here's a really simple idea to use in any Bible Class and you only need a pencil and piece of paper. Children will compare two thoughts and apply the scripture you have been studying.

[Click here for full instructions.](#)

- This simple teaching idea can be adapted to any story, age group or teaching situation.
- In the video instructions I used the stories [The Tower of Babel](#) and [The First Church](#) as examples.
