

Who's Holding the Bag? Game

Today I had fun making a “how to” video for playing a review or application game for Bible class.

Two girls allowed me to video them explaining how to make a home-made rice bag that can be used for a variety of games in Bible classes. Spending this fun morning with them reminded me again that we don't need expensive teaching tools to share God's with children. We made a great game using rice, old socks and a little imagination.
