Mothers of the Bible Quiz

Mother's Day is coming up (May 10th, 2015 here in New Zealand) and I usually help the children write cards or make gifts for their mothers.

These days, the quickest way to find good ideas for Mother's Day gifts is to go to Pinterest online and simply type in something like "Mother's Day gifts from kids" into the search bar along the top of the page. Once you click the search button you will find more ideas than you know what to do with!

But, even while you are preparing for others, I thought I would put together a little quiz for you, the teacher. You try to challenge the children so here is a little challenge for you. After all, children are not the only ones who like to have fun. I've never tried creating an online quiz before so let's see if it works
