

Oh, Baby!

My Friend Jesus (6 Lessons)

After a long delay between lessons the “My Friend Jesus” series for Babies and Toddlers is now complete. Hopefully, it will help parents and teachers share the story of Jesus with little ones.

In this series infants and toddlers are introduced to Jesus and relate to him through various common experiences of childhood (celebration, helping, community, worship and growth). Role-play and sensory activities are used to express a growing relationship and friendship with him.

The first breath Jesus took on this earth was as a fragile newborn infant. The One who would save the world had to have his nappies/diapers changed. He learned to feed himself, crawl and walk. He experienced the human senses of taste, touch, hearing, sight and smell.

Infants and Toddlers can know that Jesus is special, experience affinity with Jesus through role-play and sensory activities. They can learn practices that express friendship, affection, obedience, respect and worship.
