

Website Update

Next time you open www.missionbibleclass.org you'll notice a few changes to the look and feel.

Since I have two great interns working with me right now, we're using the opportunity to update the look of the site. There are quite a few details to take care of so please let me know right away if you notice something is not quite right.

As always, may God bless you as you share His Word with children!

Mary
