

I Say L.O.V.E

Have you ever had a song stick in your head and refuse to go away? This week a friend of mine shared a song with me that has done exactly that.

The song is not fancy. It only has six words. It is a teacher training video and not a performance for the Grammy Awards. Even so, it is stuck in my mind like glue. Listen a few times and I dare you to forget it. Everybody needs some love.

Lyrics:

I say L
I say L-O
L-O-V
L-O-V-E

Everybody needs some love. L-O-V-E!

Everybody needs some love. L-O-V-E!

Everybody needs some love. L-O-V-E!

Everybody needs some love.
