About the Team

The Mission Bible Class Team is passionate about equipping Christians with simple tools to share God's Word with children in ways that shape their worldview and guide them into a lifelong, faithful relationship with Jesus Christ.

As teachers, we sometimes just need a place to start. With that in mind, we have provided basic information and simple ideas. With the help of generous churches and individuals, we have expanded this work into a variety of services that help churches and individuals discover ways to share God's Word with children.

Ministry Sponsor

Memorial Road Church of Christ

We appreciate the many churches, schools, and individuals who have helped make Mission Bible Class what it is today. In particular, though, we want to thank the Memorial Road Church of Christ in Edmond, Oklahoma. They have joined in the vision of equipping people worldwide to value and spiritually nurture children.

This church collects and distributes donations for Mission Bible Class so the work can continue.
