Copyright Statement

The Mission Bible Class ministry, this website and its contents have been created by me, Mary Nelson, and I hold the copyright.

I have been studying the Bible, teaching children and writing lessons over many years so it can sometimes be difficult to ascertain original sources. In addition, some teaching methods have been passed from one teacher to another so many times that no one can be quite sure who used them first. It is not my intention to claim authorship of any material that has been created by others so please contact me at mary@missionbibleclass.org if you have any questions or comments regarding this issue.

I have used the following content from sources outside of Mission Bible Class:

- Direct quotations from the New International Version of the Bible according to the guidelines set out in the [Biblica Terms of Use](#): *“Scripture taken from the Holy Bible, NEW INTERNATIONAL VERSION®, NIV® Copyright © 1973, 1978, 1984, 2011 by Biblica, Inc.® Used by permission. All rights reserved worldwide.”*
- Most of the clip art on the website (at the top left of each story page) has been adapted according to the following statement: *“Artwork is from The Complete Bible Story Clip Art Book and used by permission from ©Gospel Light, Ventura, CA 93006.”*
- The Bible Study Tool at <https://www.biblegateway.com/> has been linked to extensively. Although they do not require permission for this I am very appreciative of the tool.
- This website contains many links to other resources, websites and blogs that are not owned by Mission Bible Class. I appreciate the writers and have shared these links with you because I have found them useful in some way. But please note that Mission Bible Class does not have any control over the content of these external resources nor do I necessarily condone any additional content found on these websites and blogs. Websites do change authors or purposes from time-to-time so please send me an email at mary@missionbibleclass.org if you notice a questionable or broken link.

Personal Statement

Mission Bible Class is a personal labour of love which I have worked on over many years. I created it as a tool to help people around the world share God's Word with children at no financial cost. Many people have urged me to charge money for these materials but I really believe that teachers need basic materials that are free.

If you would also like to join me in providing free resources to teachers please contact me at mary@missionbibleclass.org I would love to talk to you.
