Learning from the Life of Paul

From a blinding light to angry mobs to a shipwreck, the Apostle Paul's story is one that involves devotion, determination and drama.

These sixteen lessons from the life of Paul help children grasp how God used Paul and others to expand the reach of the good news of Jesus to far away places .

The lessons are already covered on www.missionbibleclass.org within the book of Acts section but are grouped together here so that you can teach them as one unit.

Online materials make it easier to keep children and families engaged in the Word of God. Instead of printed materials lesson links can be emailed to teachers and parents each week.

Each of these sixteen lessons listed below include:

- A Bible lesson and teaching instructions
- Practical and enjoyable activities to help children learn
- Links to other online resources
- A slideshow to view online or download and use
- The same slideshow in .pdf if you choose to download and print
