

You Are Never Too Young

“From infancy you have known the Holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus.” 2 Timothy 3:15, NIV

Most of the teaching ideas you will find on Mission Bible Class relate to teaching children aged 3 years and older. But this week my mind has been on [infants and toddlers](#) as I have been uploading some [lesson plans](#) for teaching this age group.

Even these very young children are able to experience the love of God through the loving care of adults around them who choose [learning activities that suit their stage of development](#).

For a demonstration of how infants and toddlers can learn about God in a Bible Class take a look at the following 5 minute video created for Mission Bible Class by Virginia “Vivi” Vitalone (<http://www.virginiavitalone.com/>). I think you will agree that the little one featured in the video is a very precious little boy, indeed.
