

Teaching Children: Where Do I Start?

Tell the Story!

This website is based on story. Although it is a collection of over 170 Bible Stories it is actually only one story, the Story of God as Revealed by Him in His Word.

The [purpose of Mission Bible Class](#) is to help you share God's Word with children of all ages. Use and adapt these free resources to teach any age group in all kinds of teaching situations.

A well-told Bible story is the most natural and inter-generational method of sharing the Word of God. God bless you as you tell the story!

Family Bible Time: The Bible is for all ages! Adults and children can interact together in these “Family Bible Time” lessons. Many of us desire a more natural family setting for Bible study from time to time at home or in small groups but know that a meaningful gathering

can be challenging. These lessons are not all about adults OR all about children. They are about generations spending time in God’s Word together. [Click here for free Family Bible Time lessons.](http://www.missionbibleclass.org)
