Spinner Game

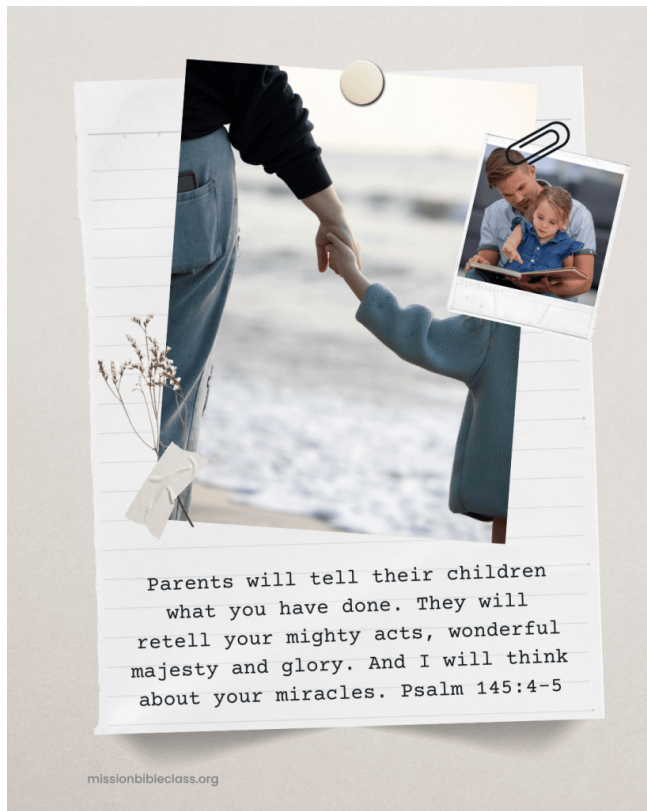

CREATE YOUR OWN GAME BY DRAWING A CIRCLE ON A PIECE OF PAPER AND DRAWING LINES TO DIVIDE IT INTO EQUAL WEDGES (LIKE A PIZZA). WRITE A QUESTION ON EACH WEDGE. USE A PEN OR PENCIL TO HOLD A PAPER CLIP DOWN IN THE CENTRE OF THE CIRCLE. SPIN THE CLIP AROUND. WHICHEVER WEDGE THE PAPER CLIP POINTS TO IS THE QUESTION THE CHILDREN ANSWER.

OH! THE PLACES MBC GOES...

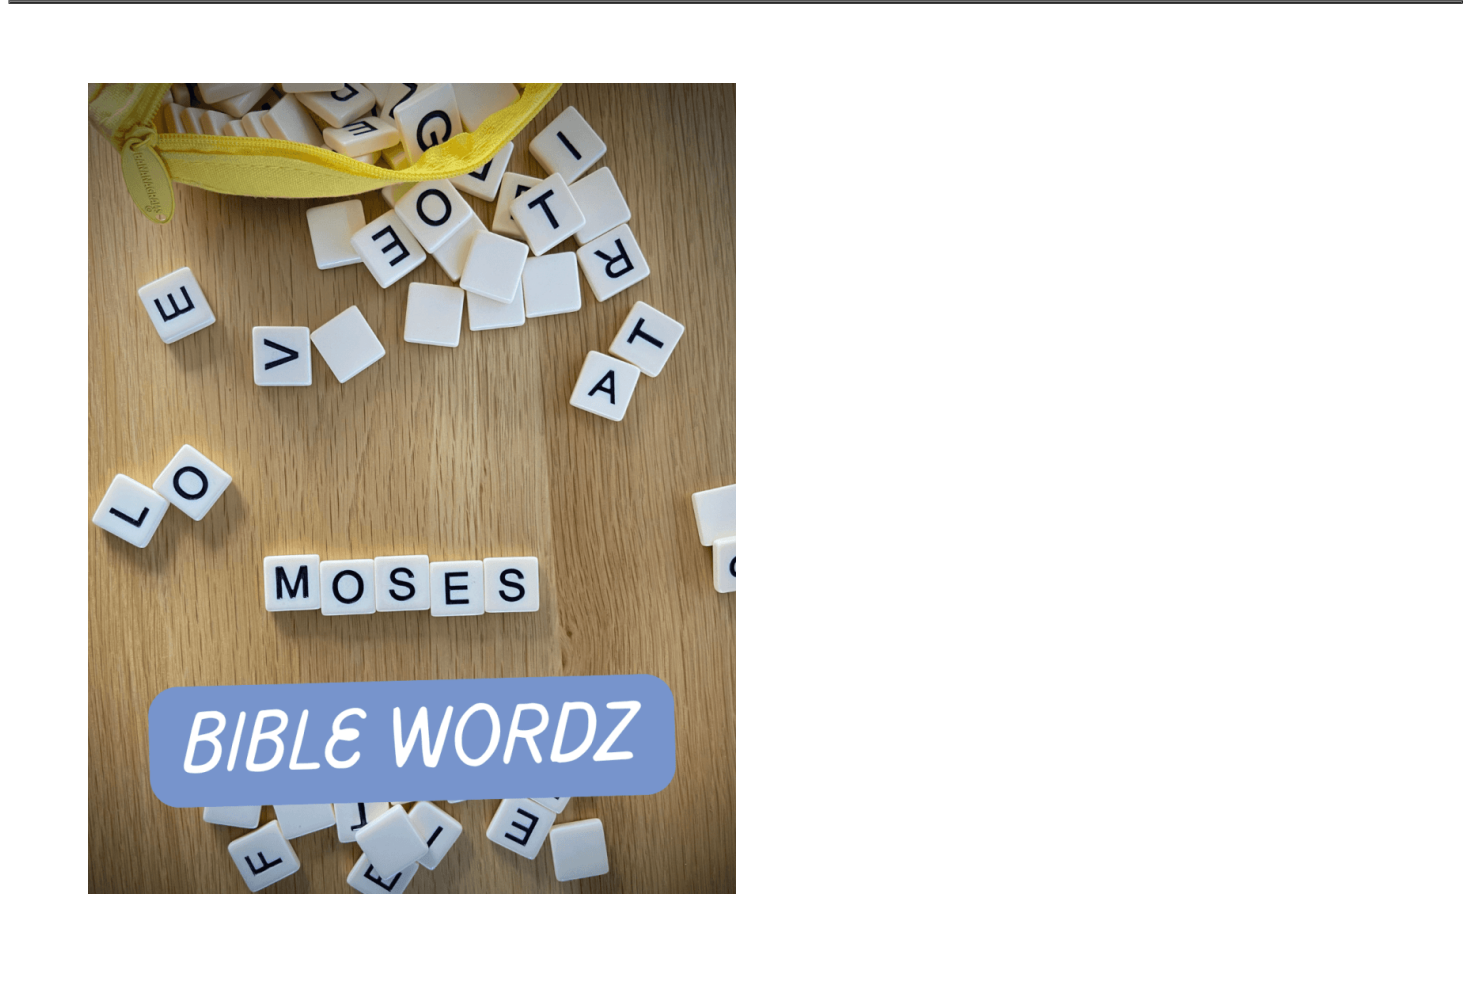

A world map illustrating the global reach of Mission Bible Class (MBC). The map uses blue dots of varying sizes to represent the density of MBC locations in different regions. A color scale at the bottom left indicates the number of locations, ranging from 788 (light blue) to 49,055 (dark blue). The highest density of locations is concentrated in North America, particularly in the United States. Other significant clusters are visible in Europe, Africa, and Asia. The map also shows the outlines of the continents and major bodies of water.

Interns 2026

Part of the mission is to mentor those interested in the spiritual formation of children. For more information view: [What is Mission Bible Class?](#)

I Use it Every Week

What lesson shall I teach this week? For a list of Bible Lessons view: [Bible Stories and Suggested Themes](https://missionbibleclass.org/bible-stories-and-suggested-themes).

Button Prayers

One of our favourite prayer methods. Children hold a hard button and pray for something that is hard. They count the number of holes and thank God for that number of things. Explore more prayer ideas by viewing: [Prayer Methods](#).

Making Fire

From [the Burning Bush](#) to the [Fiery Furnace](#), children love using marble painting to make “fire” for a craft. View instructions for this craft at [Marble Painting](#).

Bible, Glitter and Glue Podcast

Every Bible Lesson on the website is now accompanied by a Bible discussion. The view the podcast library of episodes view: [Bible, Glitter and Glue](#).
