

Songs

Songs are a great addition to any Bible class. Children love to sing. The songs you sing with children in class will often stay with them for the rest of their lives. You can choose songs that go with the theme of your lesson or you can just let children sing their favourites.

Note: All of the “how to” videos are sung by volunteers to help you learn songs for teaching the Bible to children. These are traditional lyrics and tunes and Mission Bible Class does not claim to be the original composer.

Songbook

A generous person using this website wanted to share the songbook (below) that they compiled. It is in English and is formatted to print on “letter size” paper as used in the USA.
