

# Shake the Devil Off Song

Lyrics

You see the devil tries to come  
In many different ways  
And he'll try to get your hands  
So your hands you got to shake

Come on now!  
Shake, shake, shake  
Shake the devil off (x3)  
In the name of Jesus  
Shake the devil off

You see the devil tries to come  
In many different ways  
And he'll try to get your knees  
So your knees you got to shake

Come on now!  
Shake, shake, shake  
Shake the devil off (x3)  
In the name of Jesus  
Shake the devil off

You see the devil tries to come  
In many different ways  
And he'll try to get your head  
So your head you got to shake

Come on now!  
Shake, shake, shake  
Shake the devil off (x3)  
In the name of Jesus

Shake the devil off

You see the devil tries to come  
In many different ways  
And he'll try to get your body  
So your body you got to shake

Come on now!

Shake, shake, shake

Shake the devil off (x3)

In the name of Jesus

Shake the devil off
