

'Tis the Season to Teach Infants and Toddlers

The first breath Jesus took on this earth was as a fragile newborn infant. The One who would save the world had to have his nappies/diapers changed. He learned to feed himself, crawl and walk. He experienced the human senses of taste, touch, hearing, sight and smell.

“My Friend Jesus” is a series of lessons created especially for children under the age of three. In this series infants and toddlers are introduced to Jesus and relate to him through various common experiences of childhood (celebration, helping, community, worship and growth). Role-play and sensory activities are used to express a growing relationship and friendship with him.

Purpose of Class:

In these lessons teachers, parents and helpers will guide infants and toddlers to:

- Know that Jesus is special.
- Experience affinity with Jesus in a variety of situations through role-play and sensory activities.
- Learn practices that express friendship, affection, obedience, respect and worship.

And Jesus said, “No longer do I call you servants, for the servant does not know what his master is doing; but I have called you friends, for all that I have heard from my Father I have made known to you”. John 15:15, CEV
