

# Printables

**Explore Printables for Old and New Testament stories by clicking on the buttons above.**

Teaching the Bible to children does not require printed materials. A lifelong faith can be formed when a teacher tells a great Bible story and then helps the children learn through activities such as games, crafts and songs. And yet, printed materials can be useful from time to time and can enhance learning.

[Old Testament Printables](#) and [New Testament Printables](#) have been added to this site for each Bible lesson.

These printables can be used in various ways, including illustrations for stories, cards to collect and match, bookmarks to take home, small pictures for attendance charts, or matching games. Just follow the links to the Old Testament or New Testament printable pages to find out if these will be useful to you.

## Response Pages to Print

These can be used for any Bible lesson. After teaching the lesson, provide each child with one of these pages and then allow the children time to write and draw what they have learned.
