Building Up the Temple Song

Lyrics

Verse 1

Building up the temple, building up the temple, building up the temple of the Lord.
Building up the temple, building up the temple, building up the temple of the Lord.

Chorus

So high you can’t get over it, so low you can’t get under it, so wide you can’t get around it, you must go in through the door.

Verse 2

Brother won’t you help me, sister won’t you help me building up the temple of the Lord.
Brother won’t you help me, sister won’t you help me building up the temple of the Lord.

Chorus

So high you can’t get over it, so low you can’t get under it, so wide you can’t get around it, you must go in through the door.
