

# Potato Chip Song

## Lyrics:

(Leader says each phrase and then group follows)

Potato chip, potato chip.

I like them crunchy, crunchy.

And I love Jesus.

A bunchy, bunchy.

Now there once was a man.

And he walked like this.

But then he met my Jesus.

Now he walks like this!

There once was a girl.

Who was stone cold dead.

But then she met my Jesus.

Now she's dancing in the bed!

Potato chip, potato chip.

I like them crunchy, crunchy.

And I love Jesus. (repeat 3 or more times)

A bunchy, bunchy.
