Sea of Galilee Song

Lyrics:

There’s a Sea of Galilee (2x)
There’s a sea. There’s a sea.
There’s a Sea of Galilee.

There’s a boat on the Sea of Galilee (2x)
There’s a boat. There’s a boat.
There’s a boat on the Sea of Galilee.

There are men in the boat on the Sea of Galilee (2x)
There are men. There are men.
There are men in the boat on the Sea of Galilee.

There are hands on the men in the boat on the Sea of Galilee. (2x)
There are hands. There are hands.
There are hands on the men in the boat on the Sea of Galilee.

There are nets in the hands of the men in the boat on the Sea of Galilee. (2x)
There are nets. There are nets.
There are nets in the hands of the men in the boat on the Sea of Galilee.

There’s a fish in the nets in the hands of the men in the boat on the Sea of Galilee. (2x)
There’s a fish. There’s a fish.
There’s a fish in the nets in the hands of the men in the boat on the Sea of Galilee.

There’s a coin in the mouth of the fish in the nets in the hands of the men in the boat on the Sea of Galilee. (2x)
There’s a coin. There’s a coin.
There’s a coin in the mouth of the fish in the nets in the hands of the men in the boat on the Sea of Galilee.

There’s a face on the coin in the fish in the net in the hands of the men on the boat in the Sea of Galilee. (2)
There’s a face. There’s a face.
There’s a face on the coin in the fish in the net in the hands of the men on the boat in the Sea of Galilee.
