Three Kings of Israel Song

Lyrics

(Sung to the tune of “Three Wandering Jews”)

Once there were three kings of Israel,
Oh, once there were three kings of Israel
Three kings of Israel
Three kings of Israel
Oh, once there were three kings of Israel

The first one was the son of Kish,
The first one was the son of Kish,
Saul, Saul son of Kish
Saul, Saul son of Kish
He was Israel’s first great king

The second one was a shepherd boy,
The second one was a shepherd boy,
David, David, Shepherd Boy
David, David, Shepherd Boy
And he killed a giant too,

The third one was the wisest man,
The third one was the wisest man,
Solomon, Solomon, wisest man,
Solomon, Solomon, wisest man,
And he built a temple too

These were Israel’s three great kings,
These were Israel’s three great kings,
Saul, David, Solomon
Saul, David, Solomon
These were Israel’s three great kings
