

Days of Creation

Instructions:

1. Photocopy the pages.
2. Children can fill in each day with items created on those days.
 - Day 1: Light (Genesis 1:1-5)
Colour or paint black and then glue white glitter. Or paint a white splotch on the black background.
 - Day 2: Sky and water (Genesis 1:6-8)
Colour or paint blue and glue cotton wool on it for clouds.
 - Day 3: Land and plants (Genesis 1:9-13)
Glue on soil, seeds, flower petals and leaves
 - Day 4: Sun, moon and stars (Genesis 1:14-19)
Colour or paint the number half black and half blue. On the black glue or stick on glow-in-the-dark stickers, regular stickers or paper cut-outs for moon and stars. On the blue glue or paint a yellow sunshine.
 - Day 5: Birds and fish (Genesis 1:20-23)
Colour or paint half dark blue, for water, and half light blue, for sky. Use stickers or glue on small toy birds and fish.
 - Day 6: Animals and people (Genesis 1:24-31)
Cut out and glue on pictures of people and animals from magazines.
 - Day 7: God rested
Decorate with soft colours or write “zzzz” to represent sleeping.
3. Or try the following ideas to have the children fill in the numbers.
 - Copy the verses from the bible into the numbers.
 - Write responses and thoughts about each day.
 - Draw pictures to fill the numbers.
 - Stick stickers on the numbers.
 - Paint the numbers
