

Testament Toss Review Game

(Using Old or New Testament Choices)

Game Supplies:

Old Testament and New Testament Labels (print these or just hand-write your own), tape, 2 containers (bowls, boxes, baskets, buckets or whatever you have), and something to toss (coin, ball, stuffed toy or whatever you have).

Game Instructions:

Cut out the labels and attach them to two containers. Call out Bible stories, Bible characters or books of the Bible and children take turns deciding which Testament contains the answer and then tossing the object into the correct container. If they miss (the answer or the container) then the next child gets a chance to answer. Children can score a point for each object in the correct container or you can just play for the fun of it and not keep score.
